

Colorado FY2017 AmeriCorps State & National Grant Awards

Corporation for National and Community Service

Below is the FY2017 AmeriCorps grant funding breakdown for Colorado. State formula and state competitive funding will be awarded to Serve Colorado, the Governor-appointed State Service Commission. National direct funding will be awarded to grantees headquartered in Colorado that are operating in more than one state. Colorado AmeriCorps members will also receive post-service Segal AmeriCorps Education Awards to help pay for post-secondary education or pay down student loans. These funding streams all factor into the total award received, shown here:

Funding Type	Amount
State Formula	\$2,325,286
State Competitive	\$2,765,671
National Direct	\$1,039,316
Education Awards	\$4,356,051
Total CNCS Funding Awarded	\$10,486,324

In addition to the federal funding from CNCS, these AmeriCorps grantees will leverage an additional **\$22,100,026** in matching support and other resources. Together, they will engage a total of **1,595** AmeriCorps members in national service.
